

## Guidelines and ideas to get you started in making the project.

Here we present Part 2 of the *Baitullah* project.

**Aim of Part 2 of this project-** The main aim of Part 2 is for students to be exposed to the riwayatats of Baitullah and for them to understand the significance and importance of Baitullah in our history. The two riwayatats presented in this part are: 1) Ashaab al Feel, and 2) Moulana Ali Wiladat.

### Where to start

- Student should watch the two riwayat videos on the website, then do the worksheet provided to assess understanding of the concepts.
- Students should then present the central message of the riwayatats in a sketchbook. This can be done by writing, illustrating or any other creative manner.

**Students:** You are trying to present these two *riwayatats* of *Baitullah* in your own way. You can draw out the different events that take place. You can label and sketch the geographical region. Be as creative as possible.

The main aim of Part 2 project is to present the riwayatats of *ashaab al feel* and *Moulana Ali Wiladat* in a clear and creative way.
